

# Results of Annual Statewide Assessments 2023-2024

Waldwick School District

Dr. Elias, Director of Curriculum and Instruction

October 7, 2024

# State Assessments Administered

## NJSLA (New Jersey Student Learning Assessment)

- Administered in the spring
- ELA/Math: Grades 3-9, Algebra I, Algebra II, Geometry
- Science: 5, 8, 11

## DLM

- Administered in the spring
- Students with significant cognitive disabilities who cannot participate in NJSLA
- ELA and Math grades 3-11
- Science for grades 5, 8, 11

# Limitations to Presentation

The district cannot report test results when fewer than 10 students completed the assessment. This ensures student confidentiality. For example, fewer than 10 students completed the DLM assessment so those results cannot be shared with the public.

# Participation Rate of State Assessments

DLM- 75%

## Planning and Preparation for next SY:

2025-26

WMS is currently offering STEAM courses for every grade level. We are planning to partner with Project Lead the Way to update our curriculums and provide additional training for our teachers. The goal is that students will walk away from 8th grade with a sampling of STEM courses to prepare them to identify a pathway for their high school experience and future.
