Party Policy

Dear Parents/Guardians,

In an effort to keep the growing number of food allergic students safe, the following is the updated policy for class parties/food in the classrooms at Traphagen School:

Other than lunch, the only times that food is permitted in school are:

1. Four holiday parties- Halloween, Winter Holiday, Valentine's Day and End of Year. The items served at these parties are: Munchkins, plain(salted)pretzels, and plain(salted) potato chips. Water bottles are to be supplied by the parent. Students with EpiPens who have safe snack boxes will be able to take an item from the box to have in place of the above items, as chosen by the individual parents.

2. Monthly birthday celebrations, usually the third Friday of each month, where Munchkins are served, provided by the PSO. Safe snack boxes also will be in use as directed by the individual parent.

3. Snack from home on minimum days.

4. At the conclusion of field day, the PSO often times provides Ice Pops for all students.

We appreciate your cooperation and concern as we look out for the safety of all of our students.

Thank you,

Robert Sileo, Principal
Amy Biswurm, School Nurse
